Mariam Boyd was given the opportunity for students to show how beneficial being a Google School is to them in today's forever changing society. Our 4th grade teacher Mrs. Brunson-Enzmann put together a group of 4th and 5th grade students. The 5th graders are her previous students (center picture, last three pictured; Dalia Matias Aparicio, Nyzir Alston and Kaden Smith) and the 4th graders are her current students (center picture, first three pictured; Jeremiah Barnett, Sherese Bryant and Austin Silver). This group of students did an excellent job by showing how learning can be fun and interactive.

Accountability Night

We had an excellent turn out for our Accountability Night. Parents were given the opportunity to come out and learn about what their students will be learning in class this upcoming school year and ways to help them along the way. Parents were entered into raffles

as they entered the event and a hotdog dinner was served after parents and students left the event. Our parent winners include: for the 3rd grade raffle, Bianca Kearney; the gas card, Travis Lyles and the gift card, Stasy Bartolo. We thank each and everyone for their

support during this school year.

Grandparents Day

Grandparents Day this year was a great turn out. Grandparents came out and gathered in the gym to watch a slide show put together with a special poem to let them know just how much they mean to us. They were served donuts, juice and coffee and before they left to head down to the classrooms to spend some special time reading with their precious grandbabies they were given a candy goodie

bag because it "mint" so much to us that they were able to take the time and come out on this special occasion. "What are Grandparents made of? Hope and pride, pure joy inside. Tickle and fun, A sprinkle of sun. Warm hugs and kisses, Shooting star wishes. Hands to hold, heart of gold...That's what Grandparents are made of. Tales from past, Memories to last. Laps for reading, "I love you" greet-

ings. Wisdom to teach, always in reach. Toys galore, eyes that adore. That's what Grandparents are made of. Patience and time, trees to climb. Baby photos in frames, childhood games. Bragging rights, sleep over nights. Comforting arms, magical charms. That's what Grandparents are made of. Kindness and care, affection to share. Heart-to-heart talks, unhurried walks. Faith and trust, spoiling a must. Endless

Honor Roll/Perfect Attendance

*"Never say, "I can't"
Always say, "I'll try""*

This 1st Six weeks we have 2 students on the Principal's List; Jah'Lil Perry and Keith Tunstall Jr., and 50 students on our A/B Honor Roll. We have 97 students on our Perfect Attendance. Parents and Staff, let's continue to make these numbers grow throughout this year by encouraging our students to do their best at all times and to push to come to school every-

day. We want to also remind parents that our school day begins at 8:15 am and ends at 3:15 pm. Please be sure to have your children to school on time as their reading block is their very first lesson and when they're late they miss valuable information. Also, please be sure to send a doctor's note for your child's absences no later than 3 days after your child returns to school. No excus-

es will be accepted after the 3 day return grace period.
